

Payment and Renew

When ordering a new service, the first payment is made for at least one month, then you can make a payment multiple of one day, that is, from one day to one year.

If you pay for the service in one payment for a longer period than one month, we provide discounts, when ordering for:

- 2 months - 3% discount
- 3 months - 5%
- 6 months - 10%
- 12 months - 15%.

Our billing system provides a PAYMENT DEFERRAL, if for some reason you do not have the opportunity to renew the server on time.
